

Dylan Raasch

By Kyle Farabee

Birthday

December 2, 1976

What Is He Famous For

He designs shoes for Nike he has made many types of Nike he has made Jordan's and even made the Nike Roshe shoe

Where is he from

Impact in future designing

He helped find foam so that shoes are more comfortable and wear able longer

Technology enhancements

The special ethylene vinyl acetate eva, a rubber like material which makes up the majority of the midsole and outsole, made me feel like was. The uppers turn out to be made of. Nike roshe run dylan raasch wiki nm updated materials.

Why did I choose him

The background is a solid teal color. It features several decorative elements: a large, semi-transparent pie chart in the upper right quadrant; several smaller, semi-transparent pie charts scattered in the right half of the image; and a bar chart in the bottom right corner with four vertical bars of increasing height from left to right.

Because he seemed interesting he was known very well so I just did him I found out a lots of interesting things that I did not know of earlier.

The image features a solid orange background. In the top-left corner, there are three vertical bars of varying heights, each composed of several overlapping semi-transparent orange circles. In the bottom-right corner, there are four vertical bars of increasing height from left to right, also composed of overlapping semi-transparent orange circles. The text "THANK YOU" is centered in the upper half of the image.

THANK YOU
